

FALL
Northern California Women's
Herbal Symposium

Dear Work Exchange Applicant,

Thank-you for your interest in our Work Exchange program. This is a fun and important program for Fall NCWHS. It provides financial assistance to women with low-income, and a fun and enthusiastic work force for NCWHS. We greatly appreciate and depend heavily on each worker.

The questions in this form help us to place you in an appropriate position. Jobs differ in time and skill required. Your answers help us to place you appropriately.

We will contact you by email sometime during the months of July or August.

(please add us to email your address book so we will come to your inbox)

Some Important Information:

- Work Exchangers work a minimum of 12 hours through-out the session and this reduces the registration fee to \$140. Work times depend on the particular position assigned.
- All Work Exchangers are required to attend a meeting on the Friday for orientation with the tasks of the job assigned. You must attend this meeting, unless prior arrangements are made with Karen Aguiar or Kem White. Specific details will be sent to you when you have been placed in a position.
- Job positions are assigned in order of application postmark date.
- You must submit this completed application **and** register online under work exchange.

Thank-you for your interest in Work Exchange.

We look forward to working with you.

Green Blessings,
Karen, and everyone at Fall NCWHS
