Dear Work Exchange Applicant,

Thank-you for your interest in our Work Exchange program. This is a fun and important program. It provides financial assistance to women with low-income, and a fun and enthusiastic work force for NCWHS. We greatly appreciate and depend on each worker.

The questions in this form help us to place you into an appropriate position. Jobs differ in time and skill required. Please answer all the questions honestly and accurately so that we place you into the right job.

We will contact you by email sometime during the months of
April or May for Sessions 1 & 2
August for Session 3

Some Important Information:

- Work Exchangers work a minimum of 12 hours through-out the session, reducing their registration fee to \$140. Work times depend on the particular position assigned.
- All Work Exchangers need to attend a meeting on Friday to be familiarized with their job, unless prior arrangements are made directly with Terri. Meeting and job details will be sent through email prior to the session.
- Job positions are assigned in the order received.

Thank-you for your interest in Work Exchange.
We look forward to working with you.

Green Blessings
