

Dear Work Exchange Applicant,

Thank-you for your interest in our Work Exchange program. This is a fun and important program that provides financial assistance and a fun and enthusiastic work force.

We greatly appreciate and depend on each worker.

The questions in this form help us to place you into an appropriate position. Jobs differ in time and skill required. Please answer the questions fully so that we place you into the right job.

We will contact you by email sometime during July or August with your job assignment and all details.

Some Important Information:

- Work Exchangers work a minimum of 12 hours through-out the session and reduce their registration fee to \$150. Work times depend on the particular job assigned.
- All Work Exchangers need to attend a meeting on Friday to be familiarized with their job, unless prior arrangements are made directly with Terri (ncwhs@monitor.net). Meeting times will be sent by email in July or August.
- Job positions are assigned in the order of the application's email or post mark date.

Thank-you for your interest in Work Exchange. We look forward to working with you!

See you there!

Green Blessings,

Terri, Gwen & The NCWHS Team
